

1. Certified Diplomate of the American Board of Obstetrics & Gynecology, Nov. 1998.
2. Board Certification in Reproductive Endocrinology & Infertility, 2002
3. Diplomate of the National Board of Medical Examiners, July 1, 1991.

PAPERS AND PRESENTATIONS

1. **Henry M**, Gentry W, Critser E. Does blastocyst development in remaining embryos predict the pregnancy rate? Abstract 55th Annual Meeting of the American Society of Reproductive Medicine. 1999, No. P-196.
2. Lo L, **Henry M**, Gentry W. Single-dose Methotrexate for Ectopic Pregnancy: A Six Year Institutional Experience. Abstract 53rd Annual Meeting of the American Society of Reproductive Medicine. 1997, No. P-171.
3. **Henry M**, Radwanska E, Rawlins R, Fahy M. Oocyte Maturation in Rabbits: Effects of Calmodulin Inhibitors. *Zygote* 5 (August), pp255-260, 1997.
4. **Henry M**, Radwanska E, Rawlins R, Fahy M. The Effect of Calmodulin Inhibition on Cytoplasmic and Nuclear Maturation in Rabbit Oocytes. Abstract 52nd Annual Meeting of the American Society of Reproductive Medicine, 1996.
5. **Henry M**, Anderson R, Szewczyk I, Chien C, Mack S, Rawlins R, Radwanska E. Follicular Atrial Natriuretic Peptide and its Relationship with Ovarian Stimulation and Steroid Production in Humans. Submitted for publication 8/95.
6. **Henry M**, Gentry W. Single Injection of Methotrexate for Treatment of Ectopic Pregnancies. *American Journal of Obstetrics and Gynecology*. Dec. 1994;171:1584-1587.
7. **Henry M**, Mazue P, and Critser JK. Sperm cell concentration following cryopreservation using various cooling and warming rates. Abstract Annual Meeting of the American Society of Andrology. 1994, No. 20.
8. **Henry M**, Noiles EE, Gao DY, Mazur P, and Critser JK. Cryopreservation of human spermatozoa IV: the effects of cooling rate and warming rate on the maintenance of motility, plasma membrane integrity, and mitochondrial function. *Fertility and Sterility* Nov. 1993;60:911-918.
9. **Henry M**, Noiles EE, Mazur P, and Critser JK. Cryopreservation of human spermatozoa: the effects of cooling rate and warming rate on the maintenance of motility, plasma membrane integrity, and mitochondrial integrity. Abstract Annual Meeting of the American Society of Andrology. 1993, No. 169.
10. **Henry M**, Gentry W. Single injection of methotrexate for treatment of ectopic pregnancies. Abstract 48th Annual Meeting of the American Fertility Society. 1992, No. P-081.
